### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or fairly suggest the claimed boomerang comprising a flat sheet of material, a central body, a plurality of interconnecting portions angularly displaced from one another about the center point of the central body, the interconnecting portions extending along a radial axis and terminating at an arc boundary, a plurality of blades formed integrally with respective interconnecting portions, the blades having leading and trailing edges, a distal edge opposite to the arc boundary, a bent line extending from an outer point at the distal edge to an inner point at the arc boundary, the bent line of a length equal to the radius and meeting a radius line at the arc boundary to form a vertex with an included obtuse angle and a bent portion formed by the bent line and the trailing edge which forms with the horizontal plane an included obtuse angle that faces downwards.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven Wong whose telephone number is 703-308-3135. The examiner can normally be reached on Monday through Friday 7am-3:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Greg Vidovich can be reached on 703-308-1513. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
